

PUBLIC NOTICE

I am a United States citizen who want to do business overseas in India as an entrepreneur yet there are some adversaries who try to block it. My eMudhra DSC has been compromised between December 6th 2022 and December 21st 2022 and I am not liable for any e-signature applied on any document worldwide including in India and USA.

My compromised eMudhra Digital Signature Certificate Details are below:

Application ID: 14987618

Download Date: 07-Dec-2022

Certificate Serial Number: 163b33d

Certificate Type: Class 3 Platinum Individual

An email involved in my eMudhra DSC is casunoj@gmail.com which I do not know whom it belong to. eMudhra did not want to report the case to the India government authorities directly. I would request the India government authorities to investigate the case. My contact details are below:
